Tibos Krampouz Crepe Maker - Made in France - New

Tibos (by Krampouz) stopped making these North American 120V residential & restaurant crepe makers in 2021, so they are nearly impossible to find. Used ones can sell for 150 + shipping, and this one is still in its original factory-sealed packaging and has never been opened or used.

• Perfect for Foodies & restaurants; Small Cafés/Restaurants: Built by French crepe-equipment leader Krampouz—ideal as a gift for gourmet food lovers, home cooks, or for light commercial use in a café, food truck, or restaurant.

• Authentic & Made in France: Original French crepe machine (1300W, UL-listed 120V) with a 13" non-stick Teflon surface, built-in adjustable thermostat, and indicator light.

• Easy Restaurant-Quality Results: Features Krampouz's patented Easy Crepe spreader guide and wooden spatula to spread thin, uniform crepes effortlessly.

• Versatile Griddle: Doubles as a hot plate for blintzes, jianbing, dosa, injera, roti, tortillas, omelets, pancakes, eggs, and bacon.

• Complete Set: Includes full instructions and recipes in both English and French.

• Box Dimensions: Approx. 15 3/8" L x 15 1/8" W x 5 3/8" H (13 3/4" cooking diameter).

Price: $220 (cash or e-transfer).
