For Sale - 2007 Sea Ray 240 complete with dual axel shorelander trailer and dinghy with 2.5 hp Mercury outboard. Loads of accessories included. The boat is in Yellowknife and has been professionally serviced locally - will be water ready early June. Features include, forward scan transducer, Simrad NSS 7 Evo3 chartplotter (with GSL chip), vacuflush head, with pump out, two way fridge (12 and 120v), water heater (120 v and engine recirc), new interior cushions (2020), gimble bearing and bellows (2021) dual stainless props (repitched 2020). Included accessories, life jackets, ropes, dishes, propane barbeque (with Scotty mount). I'll make sure she is full of premium gas before launching. Note that the add shows Parksville, BC as the location, however I can assure you the boat is in Yellowknife.

The boat will be in the water at the Great Slave Yacht club June 8 (weather permitting). Email or call for more details and additional pictures.
