Husqvarna FN 98 in 9.3x62mm

Late 1940's Husqvarna rifle in 9.3x62mm built on an FN98 action.

The rifle is in excellent condition. Bluing is gorgeous and the bore is smooth and shiny. No cracks along the tang and the factory sites are intact.

Action has been epoxy bedded and the barrel crown has been cut to 11 degrees. All work done by a professional gunsmith.

Happy to provide more information or pictures on request.

A valid PAL is a must to handle or purchase.

Thanks for looking!

Price: \$ 700.00
