Voltbike Trio cargo e-trike, new, unused

Discover the ultimate electric cargo trike, do-it-all, ready-for-anything machine built to handle whatever you want to haul summer or winter. Featuring an evolved frame design, parking brakes, low step-over height, 20 x 4.0-inch tires all around plus headlight, taillight and brake light!

Equipped with a powerful and efficient 500w (750w peak) Bafang front hub motor and a full Colour LCD screen. Fat tire bikes provide improved grip and traction on the most troublesome terrain by adding extra contact surface.

Voltbike Trio comes standard with hydraulic lockout front suspension, rigid metal fenders which can sustain the highest abuse on the trail or on Yellowknife streets! Also comes with rear rack which features extra wide tubing so you can carry more load.

Optional accessories included in the overall price: Suntour NCX seat post suspension (paid \$199), internal handlebar wedge mount mirror (paid \$35), wide comfortable seat (paid \$65), and front rack with light weight basket (paid \$65).

Purchased new last summer (paid \$2990) but, for medical reasons, found I was unable to ride! Bike and accessories cost more than \$3300!
