Motorcycle crate

Wooden motorcycle shipping crate. Exterior dimensions 96"L x 41"W x 61"H. Skid has wheel chocks, tie-down eyebolts, and fork pockets. Professionally-built by a crating company on Vancouver Island to get my bike home to YK across the 2020 border closure, it's been stored under a tarp, off the ground, behind my garden shed ever since.

Got any use for it? I'm moving and can't take it, so please come save it from the dump. Just need a bag of wood screws to put it back together (I can share more pics for reference).

Price is OBO. Must pick up.
