Fjallraven Keb jacket, sand, men's XL

Fjallraven Keb jacket, colour is "sand," size is men's XL. This jacket is from the same product line as the very popular Fjallraven Keb pants, and similarly is constructed of a combination of waxed cotton and stretchy panels. It has two chest pockets, one sleeve pocket, pit zips, sleeve & hem adjusters, and a proper storm hood that unrolls and is highly adjustable.

This coat is in "like new" condition, with zero visible wear. It had been worn twice, never waxed, and washed once with tech wash. (I acquired a similar coat for free shortly after buying this, and it's just been hanging in my closet in a smoke-free home ever since.)
