2006 Pontiac Vibe - MANUAL Transmission

108,600 KM

This little beauty just keeps on going and is a lot of fun to drive...especially in winter. Great as a second vehicle, heck she's also great as a primary vehicle.

Well maintained. Comes with two sets of tires - winter ones are already on. Recent tire rotation and balancing (Oct 2024) along with oil change, fluid top ups and all new wipers. Have records of all maintenance since I have owned her. Upholstry a bit dirty but I am going to try and steam clean the seats.

I'm a bit heartbroken to sell her. I had only planned to drive her one winter and its been five...she's that reliable.

**Price: \$ 5,500.00 or best offer**
