### Zeus Arc GT and Utillian 722

Both have been well taken care of. Both are in excellent working condition. Just not needed anymore. Used a couple times then been in storage sealed away. There are two types of Zeus Arc GT. There is standard and Gold premium. The Zeus Arc GT I'm selling is the premium gold plated version. The Utillian 722 was my first starter but still in excellent condition. Both \$50

**Price: \$ 50.00 or best offer**
