Oak Office Desk For Sale

This office desk was ordered from Quality Furniture two years ago. It features an acacia wood 2-ply base, an oak veneer top, and extra wide open space for your projects. It has two open sections, perfect for storing all of your writing instruments, to-do lists, and more. It had a desk mat on it and the sun lightened the wood around it so there is a slight difference in colour. Original price was \$691.95. Pick up only please.

Price: \$ 250.00
