In search of a parking spot downtown with power

Hello! I would like to rent a parking space with electrical plug in - downtown near Boston Pizza. Do you have a space to rent, or will you be going on maternity leave for a year soon, and want to sublet your space to me? Or, do you live in Northern Heights (the downtown condo highrise) but don't use your space, and would like to sublet it? Kindly let me know. I work for the GNWT and am looking for a different spot close to my new job starting in January 2025. Thanks!
