## **PRICE REDUCED. 110 Highcountry 6.5 PRC**

110 Highcountry 6.5 PRC

PRICE REDUCED FROM 1000 TO 900

24" barrel, features muzzle break, one 3 round mag, will come with assorted cheek risers and butt lengths.

Purchased in August 2024.

Had this rifle sighted in hitting targets at 500 yards. Had successful hunts with it. Overall accurate rifle, I find this will be best suited for someone who is more into long distance shooting, for hobby or sport hunting.

Save yourself a few hundred dollars, no scope, must have valid PAL to view/handle.

Only serious inquiries, please do not waste my time to "come look at it".

**Price: \$ 900.00**
