Meta Quest 3S 128 GB

Virtual reality head set & controllers, purchased at Yellowknife Best Buy as a Christmas gift, Dec 2024, paid \$419 (after tax), barely used, to my surprise our kids just aren't that into it!

Check out Best Buy website for technical info. These are selling brand new for \$350+, will let this go for \$300, original receipt included.

Price: \$ 300.00
