One previous owner before me. Selling as I am getting something smaller. All services records and carfax available. Purchased in Edmonton. Services done at Aurora ford. Still under warranty until 120,000 kms.

Has been very reliable and still is! Fun and good looking truck. 2.7 L turbocharged engine. Very surprised at performance after only having v8's before ownership of this truck. Great on fuel too !

Pros:

Winter package from ford installed,
Upgraded suspension (fox levelling kit/shocks),
Upgraded tires (nitro ridge grapplers LT305/55R20),
Fuels Rebel D679 Rims 20",
Spray-in Bedliner (5.5ft box) - camping tent for bed included !,
Heated/AC leather seats - heated rear,
Much more... just ask, it probably has it !

Cons:

Minor cosmetic deficiencies:
Small dent on rear bumper (previous owner + see picture),
Small dimples by interior rear door handles (previous owner) will show upon visit,
Small paint wear (very small and not noticeable) will show upon visit

Price: \$ 53,000.00 or best offer
