Dave & Son's Carpentry / Trailer Maintenance.

We do any type of foundation work on bedrock, footings or monolithic pours. I don't do slabs. We do custom framing, plus everything else pertaining to the trade of Carpentry work.

We do everything pertaining to trailer maintenance work such as levelling, blocking, skirting, belly bag repairs. We also level houses that have blocking for a foundation.

We also do general maintenance work on trailers, cabins or houses.

We also do renovation work.

JOURNEYMAN CARPENTER FOR 35 YRS. SINCE 1990.

SENIOR DISCOUNTS BETWEEN 15 to 25% OFF.
