Nordyne / Intertherm Furnace – 86,000 BTU (2018)

Selling a Nordyne / Intertherm M5SB 086A AW gas/oil furnace designed for manufactured and mobile homes.

- Year: 2018
- Capacity: 86,000 BTU
- Compact design, made for mobile/manufactured homes
- Model #: M5SB 086A AW

Condition: Furnace looks to be in good shape. It was in use previously. Came with the house and never installed so I didn't try it but the person who sold me the house told me it works (and it was on the contract). It has been stored in shed and not used for a few years so no wear and tear since. You are welcome to come check it out and see for yourself if you are interested.

Asking \$300 OBO (or best offer). Buyer must pick up.

Item is located in Yellowknife.
