Selling our 2020 Dark Autumn Green Subaru Outlook XT. Only selling as we had to purchase a new vehicle to accommodate a growing family.

The vehicle is in very good used condition and was purchased less than 5 years ago.

The vehicle currently has all-season tires installed but the vehicle comes with a full-size unused spare and a full set of summer tires.

Some of the features of the vehicle include:

- Remote start
- Battery warmer
- Front and rear (4 sets) seat warmers
- Steering wheel hand warmer
- Lane departure detection (has saved my neck)
- Side mirror near-vehicle indicators (also saves your neck but more literally)
- Built in compass (so you know you're heading the right way and didn't make a wrong turn heading further north)
- Tablet-style entertainment system. Easy to use and navigate.
- Unused carpet mats.

Additional features purchased on top include:

- Canoe carrier brackets for top rack
- Installed trailer hitch (ball hitch not included)
- Rubber mats
- Back seat protector
- Off road package 2, which included undercarriage protection
- Bumper Step Pad
