<b>Model:</b>	Impreza	<b>Fuel:</b>	Gasoline

**View at:** Yellowknife, NT, X1A 3J3

\$4,000 OBO

This manual, always-on AWD 2011 Subaru Impreza will make a great car for driving around Yellowknife, adventure car, or first vehicle for the kids to learn stick. It runs well but has several issues which are not economical to fix.

These include:

- Slow leaks which require occasional fluid top-ups (would require full engine replacement to completely fix)
- Transmission whining sound in 5th gear only, >80 kph (would require transmission replacement to fix)
- Passenger side airbag recall (parts on back-order in Alberta and trip to AB required to replace). Technically should not be driven with rider in passenger seat.
- Full report available from Canadian Tire. Airbag recall info available. To be sold as-is. Open to offers, but serious inquiries only please.

Misc:

- Thule Roof Rack not included. Grey roof rack and horizontal bars included.
- Set of winter & summer tires included (not on rims). Winter tires nearing end of life.
- Includes battery blanket, trickle charger, block heater, heavy duty 3 prong extension cord (yellow).
- Light body rust/bumper dings.
- Tow hitch has successfully pulled trucks out of the snow before!

**Price: \$ 4,000.00 or best offer**
