### **Yellowknife to Edmonton**

I'm driving my minivan from Yellowknife to Edmonton this coming week and am towing an empty 6' wide x 12' long empty trailer. I'll be stopping overnight, likely, either in High Level or Peace River.

If you have anything to take down up to 1500lb we can discuss the details. I'd be looking for \$ 100 to \$ 200 depending on what I'm asked to take down.

I also have an empty seat and might consider a passenger for \$250
