Crystal Chandelier

I have a 13 light chandelier with real crystals in excellent condition. All pieces were chained linked by hand. Asking \$500 OBO. It's 30" wide and 30" tall.

I'll include spare crystal pieces as well as the chain it came with. Will bubble wrap and can deliver. Make an offer! Was originally purchased for over \$1000 and shipping. You will not find an offer/item like this in Yellowknife.

Price: \$ 500.00 or best offer
