2003 6.0 diesel F-250 lariat short box, truck runs and drives great with no issues, everything works great no lights on dash has a 6 inch lift I believe sitting on bilstein shocks with 35 inch Toyo tires and mickey Thompson rims 20inch. Is straight piped studded and deleted. Touch screen and Bluetooth, speakers work great. Recently drove it 1300km with no coolant burning or oil leaks, Have an extra set of rims and tires that are 35s by17 to go with the truck. Would love to keep the truck but only selling as I'm looking to get into a service truck. Not looking for any trades. Can contact my cell# at 873-1053 for more info. Truck is not located in Yellowknife but can drive it over for serious buyers.

**Price: \$ 12,000.00 or best offer**
