Fierce Carbon Rival XP Rifle 7mm Rem Mag + Scope

For sale is a brand new, unfired Fierce Carbon Rival XP in 7mm Rem Mag, mounted with a new Burris Signature HD 3-15x44mm scope in Burris rings on a 20 MOA rail. Original boxes included for both the rifle and scope.

Fantastic setup for a long range, relatively lightweight hunting package with all the bells and whistles. Carbon fibre stock with adjustable cheek riser, carbon fibre wrapped stainless steel barrel, Cerakoted stainless steel action, Bix'n Andy trigger, Limbsaver recoil pad, muzzle brake, and a detachable box magazine.

Selling as it is surplus to my needs and I am more interested in other projects at the moment.

The price is \$4200 for the package. Could negotiate separating the rifle and scope but my preference is to sell them together.

Valid PAL is a must to handle or purchase.

Thanks for looking!

Price: \$ 4,200.00
