Winchester Model 70 Extreme Weather SS

The Winchester Model 70 Extreme Weather SS in .270 Winchester is a lightweight, all-weather bolt-action rifle featuring a stainless steel barrel, composite Bell & Carlson stock with an aluminum bedding block, Controlled Round Feed (CRF) action with a Pre-'64-type claw extractor, MOA trigger system, and Pachmayr Decelerator pad, built for rugged hunting conditions with accuracy often achieving 1 MOA with proper ammo.

This rifle has never been used for hunting, it has been taken to the range a handful of times, besides that it has just been taking up space in the safe.

1700.00 with the scope, 1400.00 without.
