10 month old female cat

Age: Young
Size: Medium
Gender: Female

Looking for a new home, she is very kept to her self but a good indoor cat. She is kid and cat friendly unsure of dogs. She seems to be a bit timid of myself and my partner but really does well with kids. Not sure if it's just how she is or if she prefers children. more info is available for this ad at www.yktrader.com
