35 Whelen Pair w/ ammo

Scopes are not included but they may added for extra \$\$\$

May consider up to half value in trade for non restricted rifles and/or ammo.

Both rifles are chambered in 35 whelen. A very capable round that will take down any north American animal and one of the smallest rounds that can be used for dangerous game.

Custom M98 with douglas king medium barrel, wildcat stock, full cerakote from corlanes, barrel cut to 18.5, reminton sights added, bases cerakote, muzzle brake cerakote. Shot little, never hunted, very good overall condition.

Remington Woodsmaster 750, 2 magazines, shot little, never hunted, very good overall condition

17+ boxes of ammo. mostly 200 gr with some 250gr. I may have a few more rounds in in my range bag or safe.

5000 for both rifles and ammo, scopes NOT included in this price. I have 2 cheap scopes I could add for a more than reasonable price.

Current scopes may be discussed. Both high quality mid-range leupolds.
