Dyson Vacuum Older

This is an older Dyson Cordless vacuum. Comes with Wall Base for charging, and a bag full of attachments.

This little dyson is for light vacuuming - if you have thick carpet, a husky this is NOT the dyson for you.

Light area rugs, perfect for bare floors, ceiling fans/window ledges, quick car clean up - it is light - so good for older person. I used it in the RV -but had 2 huskies that unfortunately this didn't work well on picking up husky hair.
