Tikka T3X Stainless Rifle .30-06 Left-Handed

For sale is a left-handed Tikka T3X Lite Stainless rifle in .30-06.

It has a few minor scuffs and marks from being hunted with, but it's been shot very little (less than 100 rounds) and overall is in great condition. It has shot extremely well for me with 180gr Accubond ammo.

Selling as I am steadily converting to right-handed rifles. I am normally right handed and right eye dominant, but have always shot left since I was a kid. I am now learning how to shoot the other way around.

The price is \$1000. Original box included.

Valid PAL is a must of course.

Thanks for looking!
