### **Wanted beginning April or May - to rent room +plus**

Female wanting to rent long-term, unfurnished bedroom from a female homeowner. To share kitchen, living room, and laundry facilities. I need one parking space. An electrical plug-in is not necessary.

I am responsible, easy to get along with, tidy, and prefer quiet. I'm a non-smoker and respectful of homeowners' preferences, such as thermostat settings.

I recognize this is your home, and I won't be bringing strangers over.

I have no pets, but would enjoy yours if you have any.

I prefer to be close to a bus route.

I'm employed full-time, and have been since arriving in Yellowknife in 1990.

I also need room to store approximately 6 Rubbermaid totes. Under the house in a cold space is fine (ea: 24 x 16 x 12-1/2" / 61 x 41 x 32 cm)
