2002 Arctic Cat Panther 570 fan

Type: Used
Year: 2002
Make: Arctic Cat Panther
Model: 570 fan

View at: Yellowknife, NT, X1A 3T7

2002 Arctic Cat Panther. 570 fan cooled. Touring sled.

Electric or pull start. Reverse. Primer. Heated visor outlet (with adaptor to modern cables). Heated throttle and handlebars. Adjustable suspension for solo or passenger riding. 2up seat. No rips. Has a brand new windscreen still in plastic if you prefer but I liked the high modified windbreak. A few extra parts included and spare lightly used belt. Well maintained and cared for. Selling because I got a newer lighter machine.

Just in time for amazing sledding weather.

Price: \$ 3,250.00
