## Kona Lava Dome Bike – Excellent Condition

Kona Lava Dome 29" mountain bike in excellent condition. Very lightly used (only a few rides) and has been stored indoors.

This is a high-quality hardtail from Kona, known for durability and reliable performance on both trails and around town.

Details:

- 29" wheels – smooth rolling and great stability
- Aluminum frame (lightweight and strong)
- Front suspension fork
- Disc brakes (strong, reliable stopping power)
- Clean drivetrain, shifts smoothly
- Ideal for trails, fitness, or commuting
- Great all-around bike for Yellowknife terrain

Comparable new bikes are significantly more expensive—this is a solid value at \$800.

**Price: \$ 800.00 or best offer**
