1998 Crestliner Sportfish 1850.

The hull is old but cuts through waves well. Engine was 'new' off the pallet when installed on the boat in 2020. Excellent 2-stroke engine - powerful, efficient, quiet.

Sold 'As Is' - there is a fuel line issue. The engine starts and idles fine, but when throttled up, the bulb on the external fuel line sucks in and starves the engine of fuel. I suspect that the external fuel/water separator installed on it last year is not allowing enough fuel through.

Kicker not included.

Price: \$ 12,500.00
