2014 Yamaha WR250r. Known to be one of the best and most versatile small displacement enduro bikes ever built, and no longer in production.

This bike comes with tons of aftermarket parts - safari tank, seat, signals, gearing, handlebars, aux lighting, soft luggage rack (and the bags themselves). I also have the original seat still, that comes with it.

Comes with two keys. Mileage is 9975km at time of posting.

Price: \$ 8,500.00 or best offer
