LOOKING for a small to medium sized dog

Age: Young
Size: Medium
Gender: Female

Looking for a family dog, my daughter is really wanting a emotional support dog to help with her anxiety as well as we would love for our children to have a furry friend to play with in the yard.

Please let me know if you have a furry friend you're looking to rehome and we can be in touch. We are hoping to find a small to medium dog who does well with children and enjoys being out doors as we are outside everyday.
