Marshall AS50D Acoustic Guitar Amplifier

Selling a Marshall AS50D acoustic amplifier in excellent working condition.

This is a great all-in-one amp for acoustic guitar and vocals — perfect for small gigs, or home use.

Features:

- 2 independent channels (guitar + microphone)
- XLR input for vocals
- Built-in effects (reverb and chorus)
- Anti-feedback control
- Line out / DI output
- 50 watts of clean acoustic sound

Condition:

- Fully functional, no issues
- Very clean overall with no cosmetic wear
- Comes with power cable only

This is a solid, reliable amp with great sound quality, only selling because it's no longer being used.

Price: \$ 350.00 or best offer
