N64 Games In-Box (Japanese)

5 Japanese N64 Games all Complete In-Box

1. Mario Party 2 (\$25)
2. Mario Party 3 (\$25)
3. Ogre Battle 64: Person of Lordly Caliber (\$25)
4. Pilots Wings 64 (\$25)
5. Wonder Project J2 -- Japanese Exclusive (\$25)

PLEASE NOTE: North American N64 consoles require a very easy and safe modification to play Japanese game cartridges. I am happy to perform this modification for you if necessary (\$10) or I can point you in the right direction if you'd like to perform it yourself.

Games are \$25 each or \$100 takes them all.

The Game Cartridges are in Like-New condition! There is some very slight wear on the Cover Boxes, but they are still in pretty great condition given their near 30 year age.

*Also please note that Wonder Project J2 requires an N64 Controller Memory Pack in order to save your progress.

Everything is tested and works perfectly!

They come from a smoke-free and pet-free home.

Feel free to message me with any questions.
