Looking to sell my 2014 Lexus IS350 AWD 3.5L V6 with only 92,700 km!

Very clean and well maintained (non-smoker, originally a BC car)
Brand new Michelin winter tires on all four wheels
Low mileage for its age
Starts remarkably well in the cold and drives excellent in all seasons
Minor cosmetic wear to exterior from normal northern driving
No known mechanical issues or engine lights
Fully loaded, navigation, heated seats, sunroof, and the comfort and reliability you expect from Lexus

Priced to reflect location, low mileage, AWD, and condition. Reasonable offers considered in person after viewing. Carfax Canada report available.

Message to arrange a viewing and test drive!

Located in Yellowknife, NT.

Price: \$ 21,900.00 or best offer
