21' welded aluminum yawl. In the last 12 months this boat was completely refit - transom was reinforced with additional welds, new console and boat controls installed (Outdoor Experts), new Garmin sonar/chartplotter, 45L fuel tank and a 2023 Mercury 4 stroke 115 HP motor (less than 100 hours run on it). This is a raw working boat with potential to be used for a lot of different tasks on GSL - hunting, commercial fishing, transport, etc.
