Housesitting opportunity

Hi! I'm looking for an in-house cat sitter from October 18 - December 21. Preference is for a cat person who can be patient and gentle, since Juno is very affectionate and needy, but also very scared of new people. My place is a lovely basement suite in Old Town overlooking Back Bay, with easy access to the lake for outdoor enthusiasts. Please text 867-446-7257 if you're interested. Thank you! - Aviva
