2-Piece Preschool Learning Bundle

Selling a fantastic 2-piece educational toy bundle designed for toddlers and preschoolers (ages 2 to 5). Perfect for developing fine motor skills, coordination, and early learning. Both toys are clean, gently used, and in great shape.

What's Included:

Pierre Belvédère 2-in-1 Wooden Magnetic Board: High-quality, durable natural wood frame featuring a double-sided interactive board. Great for hands-on, screen-free learning and developing fine motor skills.

LeapFrog Touch Magic Learning Bus: An award-winning electronic toy with a completely flat touch-panel (no hard buttons—responds to a child's light tap!). Teaches the alphabet, early vocabulary, and phonics through fun music and piano games.
