Nov 1st or sooner. Your Cozy, Pet-Friendly Home Awaits!

Looking for a comfortable, welcoming place to call home? I have a fully furnished room available in a 3-bedroom house with only one other occupant (me), so you'll have plenty of space, privacy, and a relaxed living environment.

Your room comes move-in ready with a new queen bed, dresser, closet, TV, fan, blackout blinds, mirrors, and artwork. There's also access to a third room that we could set up as a home office, workout space, or whatever suits your needs. Outside, enjoy a spacious, fully fenced yard with room to relax and enjoy the fresh air.

A little about me: I'm clean, friendly, outdoorsy, and active. I love getting outside, exploring, and making the most of life, and I'd love to find a roommate who shares a similar vibe, ideally but not a must!

I also have two very friendly, hypoallergenic dogs, so being an animal lover is definitely a plus!

Ideally, you'll be clean, considerate, active, and easygoing, and you'll appreciate a home that feels more welcoming than simply sharing a rental.

If you're looking for a furnished space with a friendly atmosphere, room to spread out, and the potential to make your house feel like home, I'd love to hear from you!
