Warrior Senior Wheeled Hockey / Travel Bag

Selling a large Warrior wheeled hockey equipment bag in black with blue trim.
Only used once as a moving bag to fly from East Coast to Fort McPherson—never used for hockey gear, so it is clean and completely odor-free inside and out.

Features:
• Heavy-duty, water-resistant polyester exterior with a waterproof tarp-style interior lining
• Smooth-rolling wheels and telescopic pull handle for easy transport
• Large U-shaped main zipper opening for easy packing
• Strong carry straps and reinforced end grab handles
• Huge capacity (~37"–38" senior size)—great for hockey gear, winter sports equipment, or oversized luggage
Zippers, wheels, and handle all work like new.
